

# Master List of IIT Award Recipients

Note: This list is not purported to be comprehensive or entirely accurate. There are occasional duplications with minor variations of date or spelling which need to be verified before either is determined to be correct. There is also conflicting evidence regarding whether some Honorary Degrees were awarded by Lewis or Armour. Additions and corrections are appreciated; please contact University Archivist Catherine Bruck, [bruck@iit.edu](mailto:bruck@iit.edu).

Last updated: May 2014
