OPEN HOUSE

For several years it has been the custom of Armour Institute of Technology to hold Open Houses to present the work, courses, and progressive facilities. Writers tell you that you will find interesting and interesting the demonstrations of each department.

HISTORY

And while we are on the subject of history, let us take a glance back to a girl's century of thirty-five years ago when the Armour Institute was the sole educational institution of its kind in the State of Illinois. The "Armour Institute of Technology" was first organized in 1869 by the Chicago Board of Education. The "South Side" of Chicago, the city in which the Institute was located, was a small village of about 4,000 people. The Institute's Library was located in a small room on the second floor of the old Armour Institute building, and was attended by a single librarian.

SUCCESSION

It will be noted that the record of Armour Institute of Technology is not complete. The Institute was not able to continue its operations beyond the year 1870. Since that time it has been necessary to depend upon the generosity of the people of the city of Chicago for the support of the Institute. The Institute is now in the hands of a Board of Directors, who are responsible for its management.

AND WHILE WE WERE KNOWING THE "30-SECOND STORY" WHEN WE WERE TOLD IT WAS "THE LAST WORD" IN ANY BUSINESS, WE WERE TOLD THAT THE "LAST WORD" WAS NOT "THE LAST WORD" IN ANY BUSINESS. WE WERE TOLD THAT THE "LAST WORD" WAS NOT "THE LAST WORD" IN ANY BUSINESS.

Tracksters Defeat Crane and Normal

Fourth Victory of Year for Track Runners

Tech Tennis Men Vanquish DePaul

The indoor season for the Hawk tracksters closed last week when Crane College and Chicago Normal finished second and third, respectively, in a triangular meet held on Olin Field. This was the victory of the third meet of the season for the track team, who have been only by Bradley Preachers and West of DePaul. The victory was a welcome one, and will do much to strengthen the squad for the final meet of the season.

The Tech track team put over the season's record of 4-1, with a triumph in the triangular meet on Sunday. The meet was won by Northwestern, who finished fourth. A trophy was given to each member of the first team, and medals to the individuals who won the various events.

The track team has just finished the season on a high note, and is looking forward to the outdoor meet in the spring.

TECHAWKS DROP SECOND LEAGUE GAME OF SEASON

Lake Tahoe, May 16, 1935

Lake Tahoe made its second loss over the Armour Tech nine by winning their second game of the season on Olin Field last Wednesday. The match was played on a field that was in the best condition and the Tech team was able to take advantage of the situation.

The match was played over two nine-hole rounds, with the Tech team winning both. The scores were 33-34, 34-34. The Tech team's second win was won by McLaughlin and Roberts, who defeated Niemi and Robinson, 44-65.

Camels are made from finer, more expensive tobacco than any other popular brand. They are milder, easy on the throat—a soft smoke that leaves no bitter taste in the mouth and no ash in the pot.
