ARMOUR TECH NEWS

Vol. XI. No. 3

Armour Institute of Technology, Chicago, Illinois

THE ARMOUR INSTITUTE OF TECHNOLOGY

President Houghton delivered an address at the annual Washington's birthday assembly held last Friday morning. The assembly which was Armour's tribute to the memory of Washington was opened with the singing of "Hail Columbia" by members of the glee club.

Discussion Character

President Houghton delivered his address by drawing directly on those principles that he had inculcated in his students, but also in Washington or during any of the sessions of the convention. He said a few words about the meaning of Washington, his value, his value to the students, and his value to the nation. But the most important part of the address was the story that President Houghton told about President Jackson and his part in the battle of the Tennessee. President Jackson went on to tell the story of the battle and how he was able to get the troops to fight on, even though he had been shot. President Houghton ended his speech with the words: "This is what we need today, a strong sense of duty and a love for our country."

Rifle Club High in Tournament

The Armour Tech Rifle Club has distinguished itself by taking the greatest number of points to date in the tournament sponsored by the Illinois State Rifle Association. The team, following, however, seven of the first two of a series of seven events, Armour is well ahead of the field. The first two of the series were held on the 11th of the month, at the Edward College Rifle Club, and the third event will be held on the 18th of the month.

The first two matches were played off at the Edward College Rifle Club, and the remaining three will be held at the Armour Tech range. The tournament will be held on the 18th of the month, and the matches will be held on the 11th of the month, at the Edward College Rifle Club, and the third event will be held on the 18th of the month.

The Armour Tech Rifle Club is well ahead of the field, and it is expected that they will continue in that position.

ARMOUR MUSICAL CLUBS APPEAR IN PUBLIC CONCERTS

Orchestra, Glee Club to Perform at Carnegie Hall

HEARD ON RADIO

For the second time, the Armour Tech Glee Club has made an appearance on the radio. They were last night on the air for a fifteen minute program on the WGN radio station. The program was a special broadcast for the benefit of the Red Cross, and the listeners were asked to contribute to the Red Cross Fund.

Senior Electricals Inspect X-Ray Labs

Last Thursday, February 20, members of the senior class of the Armour Institute of Technology visited the General Electric X-Ray company. The students were given a tour of the company's facilities, where they could see the X-Ray equipment in action. They were also able to ask questions of the company's employees.

President Guest at Alumni Luncheon

President Houghton, our new president, was the guest of the Armour Alumni Association at a luncheon at the Union League Club last Wednesday, February 21. The luncheon, attended by the Armour Alumni Association, was a opportunity for the alumni to get together and discuss the past and future of Armour Tech.

PHI LAMBDA Upsilon

Last Thursday night, the Armour Tech chapter of Phi Lambda Upsilon met at the Phi Kappa Sigma house.
A Proper Name

Armour Tech has long felt the need for a name that is as significant to the school as any of the names already in its possession. One name that is symbolic of the spirit or character of the Armour Tech is "The Slipstick." The "Slipstick" is a student-run publication that is published weekly and is distributed to all students, faculty, and staff. Its mission is to provide a platform for students to express their creative and journalistic talents.

The Musical Clubs

There are several musical clubs at Armour Tech, each with its own unique character and mission. The Armour Tech Chorus is a group that focuses on vocal music and has garnered much praise for its performances. The Armour Tech Band is dedicated to instrumental music and has achieved recognition for its musical arrangements and performances. The Armour Tech Dance Team is a group that combines dance and music to create a dynamic performance experience.

The Steam Shovel

"The Steam Shovel" is a publication that features articles and stories related to the history and culture of the Armour Tech community. It is published biannually and is a testament to the rich heritage of the school.

Examinations for Removal of Conditions

Tuesday, February 28th

Organic Chemistry, C. H. 15
Prep. R. C. Main Hall

Wednesday, March 1st

Physics, Physics 1, 2, 3
Wilcox. Phys. Lab. Room

Friday, March 3rd

They're milder—

THEY TASTE BETTER

Chesterfields

Satisfy

WHEN smokers keep buying the same cigarette day after day, it's a pretty good sign that they're getting what they want—mildness, better taste—a smoke that's always the same.

So we're going right on making Chesterfields just as we always have—

...selecting choicest, ripest tobaccos...

...blending them...cross-blending them...making them into cigarettes in the most scientific ways that are known.

As long as we do these things we know that smokers will continue to say, "They Satisfy." For that's what the millions of smokers say about Chesterfields.

If you smoke, why not find out about them? A package or two will tell you the whole story.

**TECH TRACKSTERS BEATEN BY NORTH CENTRAL COLLEGE**

Armour Trackmen Lose to Naperville by 59-45 Score

NELSON LEADS SCORING

The Armour Tech trackmen were defeated by North Central College of Naperville, Ill., by a score of 59-45 at Friday evening’s meet held in the ornate armory of the University of Notre Dame. The North Central trackmen, guided by the second-place finisher in the 60-yard dash, held their first place in the 220 yards flat, and their third place in the 180 yards hurdles for second honors.

Nelson High Five Men of Mark

Nelson, winning a false place in the 60-yard flat with a jump of 20.2 feet, and a false place in the high jump with a height of 5 feet 6 inches, and a false place in the 180 yards hurdles with a time of 25.4 seconds, was the second highest scorer. The third place in the long jump was held by William H. Babcock with a jump of 12.2 feet, and the fourth place in the 60-yard flat was held by William F. Babcock with a jump of 20.2 feet.

Tech Track Men Lead By Nelson

The final score of the meet was 37-45, and the Tech track men were still on top as Nelson, with a score of 13, was the top scorer. Babcock, with 10 points, and Babcock, with 8 points, followed Nelson in the scoring.

**TECH SHORTS**

The last point of the season for the Tech trackmen will be played on Saturday at Coe College, and the meet will be played on Saturday. TheTech trackmen will face the 4x200 meter relay, and the Tech track men will be up for the 4x100 meter relay.

**ARMOUR TECH BOXERS SCHEDULE FIVE MEETS**

The Armour Boxing Team has arranged for matches with Mount Holyoke College, and this will be the final match. The team will consist of four men, and the matches will be held on the Tech track.

**3 HEADED WOMAN**

**It's fun to be fooled...**

...it's more fun to KNOW

This "three-headed woman" trick goes back to the early days of magic. Also, the question is whether a cigarette is made from cheap tobacco or the more expensive grade. It is a fact, well known by all tobacco experts, that Cigarettes are made from... MORE EXPENSIVE tobaccos than any other popular brand.

**NO TRICKS**

...JUST COSTIER TOBACCO

IN A MATCHLESS BLEND
