ATS Sponsors Trivia Contest

Over the past 30 years the trivia contest known as College Bowl has become one of the most popular and prestigious traditions on campuses across North America. On December 4 and 5, a team of students from the University of Iowa will compete against the University of Illinois team. The winning team will receive $125.

Registration has been extended, and details can be found in the ASME Office for more information. To register, contact Tom Baggio at 333-2370. The competition is open to all students of the Illinois Institute of Technology, including those who have never participated before.

Campuses

To oppose the 14.7% rate increase proposed by the Commonweal, four-year-old residents of the campus, including freshmen and sophomores, organized a 15-minute black out in dormitories at the University of Illinois. The protest was attended by the entire campus, including faculty and staff. The black out ended at 8:00 p.m. on Wednesday, November 20th.

Mies's Centennial

IIT announced plans for a celebration on May 16, 1966, to commemorate the 100th anniversary of the birth of Ludwig Mies van der Rohe. The celebration will focus on the contributions made by Mies to modern architecture theory and education.

New Telephones on Campus

All across campus, the old, rotary dial AT&T telephones are being replaced with new, push-button telephones. The new telephones will be available in all dormitories and offices.

ATS Security Council

This is the first of a series of articles written for the purpose of informing the students of IIT about the various duties and objectives of the specific ATS Security Committees. It is important to remember that student involvement in student government is vital and encouraged.

The purpose of the Security Committee is to provide a means for students to express their views on campus security matters. Committee members will be assisting the chairperson, John Schmitt, in alerting students to potential problems and addressing any issues that may arise.

For people at various levels from those just thinking about starting their own business to those who have been in business for years.

Another purpose for the conference was to try to convince the Association of Collegiate Entrepreneurs, the parent organization of entrepreneurs nationwide, to hold a national entrepreneurs conference here in Chicago. The Association of Collegiate Entrepreneurs had been looking for a Midwestern site for a national conference in 1967. If such a conference were held, the list of participants would increase.

**FINAL EXAM SCHEDULE DECEMBER 16 - 20**

**HKN presents:**

**IIT Bridge Building Contest**

Any IIT student or faculty member is eligible for prizes for the top three finishers.

Models will be tested to destruction on Feb. 1 in Siegel Hall.

Registration (including wood, glue, and rules) $3.10 in Physics office.

*For more info, call Ed Slicher at 326-9565 or x3290.*
Get Connected
Connections (your IIT student directory) can be preordered now for only $1 in the HUB and Commons (Monday and Wednesday from 12-1) and in the Residence Halls (Tuesday from 5-6). Call your Residential counselor to reserve your copy. Network your friends. For further information, contact Mark Saltas through ATS, Programming Office, x3074.

College Bowl
Do you commutes think that you are smart enough to beat the Resident Halls? Are the Freshmen up challenging the Commuters? There is one easy way to find out: participate in the College Bowl intramural on December 4 and 5. "What is it?" you say. Think of it like a Trivial Pursuit competition between organizations and groups of people from all over campus.
Teams consist of four people, with one alternate. Fee per team is $10. Trades are still forming and can register until Nov. 27. Don't miss out on the chance to win $125! For more information contact Tom Baggio through ATS, Programming Office, x3074.

Shoot a Turkey
Monday, Tuesday, Wednesday, and Wednesday of this week, you can win a turkey for the Thanksgiving Center. For only 25¢, you get up to 5 frames to throw a bowling turkey (3 strikes in a row). Shooting lines are from 12 noon to 6 PM. Stop in and give it a try. Hub Rec Center, x3070.

Entrepreneurs
Tech Entrepreneurs next meeting will be this Tuesday, Nov. 26 noon to 2 in the Field Room of Herrman Hall. We will be working on the Coleman Foundation Project. Find out what Fanny May Candies can do for you!

Soul Searching
This study-prayer group of IIT students, faculty, and staff will meet on Thursday, Dec. 5 at 12 noon in room 306 of the HUB researcher. This will be a continuing search for the various levels of meaning presented by the Sacred Scriptures, and a personal reference for our contemporary life are welcome to participate. This term we are concentrating on the letter of John. Visiting commentators will share their insights in the biblical texts and the impact of their message. The program is open to the IIT community. You are warmly invited.

Homecoming!
Voting for homecoming King, Queen, and runners-up will take place from 9:00 a.m. to 10:45 p.m. at the Homecoming Dance on December 7th in the HUB Ballroom. All athletes will be admitted to the dance free. Tickets are on sale now $2.00 single, $3.00 couple. They will also be sold at the door of the dance from 9:00 p.m. to 1:00 a.m.

Last Issue
Technology News will not be published on December 2, 1985 due to the Christmas holiday. However, we will resume publication on December 9, 1985. NOTE: This December 9th issue will be the final issue of the semester.

Correction
In the November 4th issue of Technology News, we left off the credit on the pictures of the Arsenal blockade. These pictures were taken by Laura Dumphy. Technology News regrets the omission.

Gym Schedule
Due to the Public School Thanksgiving Basketball Tourney which will be held in Keating Hall from November 26 through December 1, open gym activities must be adjusted. Please note:
Nov. 20 — IM Volleyball will be held. No activities in upper level after 12 noon, lower level open as usual.
Nov. 21 — Upper level open until 1 PM; lower level open as usual.
Nov. 22, 29, 30 — Institute Holiday, building closed.
Dec. 1 — Upper level open until 3:30 PM; lower level open as usual.

Fulbright Grants
Information concerning summer research grants for work in Great Britain and Scandinavia has just been received from the Institute of International Education. Announcements of seminars in cultural history and architecture have indicated scholarships for qualified applicants. For further information contact Anseem Amadou at the Office of Student Life, x3086.

Hey Kappas!
ICF Sing... We won! We won! We won! We won! We won! We won! ICF Sing... We won! We won! We won! We won! We won!

Members Needed
The University Relations Committee of DESPERATELY SEEKING MEMBERS. If you are interested please contact Crystal Gary through ATS, Programming Office, x3074.

Math Contest
The Mathematics Society of IIT is sponsoring a Math Contest on Friday, Dec. 6, 6-4 PM in Perlstein Auditorium. Subjects covered will include Algebra, Trigonometry, Geometry, Analytic Geometry, and Calculus. (You choose three). Prizes are as follows:
First — Diploma, Handbook of Mathematical Formulas ($46 value)
Second — Diploma, $25 gift certificate donated by IIT's Seven Elevens
Third — Diploma, Set of Staedtler pencils ($12 value) donated by the IIT Bookstore.
All undergraduate students are welcome to participate. If interested, register at the Mathematics Department.

MAE Seminar
The American Institute of Aeronautics and Astronautics would like to announce the next MAE seminar, sponsored by the Department of Mechanical and Aerospace Engineering. The seminar will be on Wednesday, Dec. 4 at 4 PM in Crawford Auditorium (104 E1). Yann Guissemeier will lecture on "Characterization and Mapping of Turbulence in the Multistage Boundary Layers." Coffee will be served from 10:30 a.m. to 12 noon.

IIIT Gaming Club
Now that the semester's running down, don't get depressed over finals. Join the action on Wednesday at 12-11 PM in the Crown Room.

Freshman Info Day
Alpha Phi Alpha presents "Freshman Information Day" on Thursday, Nov. 29 from 9-1 PM in the FSC zn the HUB mezzanine. Vital information for freshman and other students from IIIT alumni will be presented to help you throughout your stay at IIT. You don't have to learn everything the hard way.

ATS Asst. Treasurer
ATS is accepting nominations for the election of Assistant Treasurer at the Dec. 3 meeting (12:45-2 PM in rooms 301-302 in the HUB mezzanine). Elections will be held in the HUB and Commons on December 9 and 10 from 11am-2pm.

Security
The committee is writing a letter of commendation to the security officers involved in the Bus and Office Robbery Attempt.

The president of the Lincoln Hall Residence Association at NIU, Lev has gathered support for the blackout at NIU's campus-wide student government from the university's overall Residence Hall Association and from the Dekalb City Council.

Mies continued from page 1
show graduate theses prepared under Mies' guidance, highlighting the relationship between Mies' own work and that of his students. The final part will show the relationship between work done by IIT graduates during the 1950's and 1960's and Mies' work, and also how they both influenced work of other architects.

The exhibit will be launched on March 28, 1986, on the eve of Mies' birthday. It will include an exhibit of the Artists Club featuring Franz Schulze, noted artist and biographer, as the speaker. Throughout the spring and summer, lectures are scheduled and will be presented by distinguished guests. A final centennial lecture series is also being planned.

This week's issue is written and edited by the students of, and funded in part by, the Illinois Institute of Technology News Bureau. The views herein do not necessarily reflect or express the opinions of the Illinois Institute of Technology, or of Technology News. All material submitted to Technology News becomes property of Technology News and is subject to copyright. All editorial decisions deemed necessary. Written possible, writers will be contacted concerning any revisions made to their articles. However, this is only a courtesy and writers of unsolicited material may not always be consulted. Technology News is published on Monday of each week of the academic year. The deadline for articles, announcements, letters, and advertising is 12:00 Thursday preceding Monday publication. Advertising rates and sheets are available upon request. Business, editorial, and production offices are located on the 6th floor west side of Main Building. Phone 567-3085. Our address is Technology News, Illinois Institute of Technology, 3300 S. Federal St., Chicago, IL 60616.
The AT&T Card. The fast, easy way to call long distance— from anywhere to anywhere, anytime. The AT&T Card makes keeping in touch with friends and family a lot more convenient when you're at school.

You'll be able to get through on almost any public phone—on campus or off—without bothering with coins. And you'll actually pay up to 50¢ less than for AT&T collect, third-party or coin-state-to-state calls. In fact, for most calls, it's the lowest rate next to direct dialing. And there's no charge to order the Card; no minimum usage fee.

You can also use your card to make calls from other people's rooms; the charge will show up on your bill, not theirs. No need to call collect or charge it to a third party.

You'll also eliminate a lot of hassle if you share a phone with roommates. With the AT&T Card, you'll get your own separate monthly bill itemizing only your calls. You'll pay more per call than if you dialed direct—but you'll save a lot of headaches trying to figure out who owes what.

As you can see, the AT&T Card eliminates all kinds of hassles. And you can get one whether or not you have a phone in your own name. Put The Eliminator to work for you. Sign up for your AT&T Card by completing and mailing the attached application. For more information call toll free 1 800 CALL ATT, Ext. 4589.
Complete and mail to: The AT&T Card, College Program,
P.O. Box 5362, Cincinnati, OH 45201 - 5362

Visual Design, that needs to be filled. The job
requires an artistic person who can design posters
and flyers. If you're interested, stop by the
Programming Office in the HUB or call x3075.
Daly Wins CBA Oralist Award

Joel Daly, anchorman for the 4 o'clock news on WLST-TV (Channel 7), Chicago, took the Best Oralist Award at the Chicago Bar Association's annual moot court competition, conducted November 13 and 14. Mr. Daly is a second-year Evening Division student at IIT Chicago-Kent College of Law, and a member of the law school's Moot Court Society. Mr. Daly, a 1986 graduate of Yale University with a degree in English, was invited to join the Moot Court Society based on his performance in last year's moot court competition among all Kent freshmen. Daly will earn his law degree from Chicago-Kent in June 1988, during the celebration of the law school's centennial.

Moot Court is the law school counterpart of debate. Teams of law students argue a hypothetical case before a mock court of appeals and are scored on their written and oral presentation of the case. IIT Chicago-Kent moot court teams have enjoyed outstanding success in competition, including best brief awards in the National and American Bar Association competitions, and two consecutive victories in the CBA competition. IIT Chicago-Kent will host the regional round of the 1988 International Law Moot Court Competition on February 28 - March 1, 1988.

Nominees

Douglas J. Lovato
My name is Douglas J. Lovato. I am 20 and a junior. Marketing major, I really dig diving. I was NCBA Div II All American last year and hope to place even higher this year's NCBA National Championship. School is great as is my homelife. I think for a summer job I will go to Acapulco and be a cliff diver. Yes this is my natural hair.

John Schmalz
My name is John Schmalz and I am a senior Electrical Engineering major. I think Homicoking is a great idea and I am glad to have been nominated to be king. Homicoking will give us all the chance to show that we do in fact have school spirit. It is a good opportunity for students to come together — something which we need here at IIT.

Ghnet Abera
My name is Ghnet Abera. I am 19, tall, 20 years old, and a sophomore chemistry major. My favorite things to do are skiing, horseback riding, exercising, and going to the movies.

Basketball

Lori Hartsfield
My name is Lori Hartsfield. I am a senior majoring in Management Information Systems graduating in May 1986. I have been involved in several organizations including Residence Hall Association, Lewis Association of Women, South Wind Association of Residents, Student National Technical Association, IIT Inspirational Voices Choir and Christ Way Fellowship. I am also a resident advisor in the Residence Halls. My involvement in such organizations is a reflection of my sincere concern for campus life. Campus life, which includes sports, is a vital part of the college experience and I therefore urge you all to attend this year's Homecoming events to show your concern for campus life at IIT.
**Homecoming King & Queen Nominees**

**Mary Beth Ricci**
My name is Mary Beth Ricci. I'm a fifth semester Marketing student. I am a member of Kappa Delta Chi and a member of Phi Kappa Sigma and the president of Lewis Association of Women. I am not a nerd!

**Kevin Randal Hyrams**
My name is Kevin Randal (roll the "f") Hyrams and I am honored to be a candidate for this year's Homecoming King. I am a Design major, a pitcher for our varsity baseball team, a professional DJ, a member of UCBS, and a member of Alpha Phi Alpha Fraternity, Inc. I love to indulge in the activities that don't directly pertain to school. Again, I thank you for your support.

**Charlotte Parker**
My name is Charlotte Parker and I am a first semester Business major. My interests are dancing, reading (sic) and socializing. I am involved in Kappa Delta and Alpha Phi Alpha Fraternity, Inc. and I am looking forward to Homecoming and hope that it is a big success.

**Ken Van Heel**
As a senior, and one who has been a part of many of the organizations and activities here, I'm really excited about Homecoming. My experiences have been rewarding, and I look forward to being up close and personal with all the students on campus.

**Maria T. Crotofo**
My name is Maria T. Crotofo. I am a junior majoring in Marketing. I will be graduating in May 1988. I hold four positions in Delta Phi Epsilon Sorority, including Vice-President. I am also a Little Sister of Kappa Sigma Fraternity.

I think the whole idea of a Homecoming is a super idea. We need more events like this to improve our campus life. It is nice to know that this campus does have lots of spirit! I do hope that this spirit is shown that evening. Thanks for your encouragement.

---

**Swimmers Compete**

The Varsity Swim team finished third in a field of nine teams in IIT's 10th annual Hawk relays. The Hawks were rated fifth from their seed times. However, through a terrific team effort, the Hawks were able to get past North Central and the University of Wisconsin Oshkosh. Hawk swimmers made it in all nine of the swimming events, and did very well in the two diving events.

IIT's only first place finish came in the 300 yard backstroke relay of sophomore Mike Messier, juniors Chuck Fee, and senior Daryl Peters, with the team beating the favored University of Wisconsin-Milwaukee by 2/4 seconds. Both Fee and Messier were in the same event last year and set the pool record a 2:22.0. This year's time was 2:55.86.

The only second place finish came in the 1 meter diving event. Doug Lovato and Steve Martin combined scores for a 394.35 total, with Lovato taking first in the Individual Honors. The University of Wisconsin won this event with a 427.00 total score.

Three third places were won by IIT. They included the 3 meter diving event by Lovato and Martin, the 200 yard breaststroke relay of Messier, Aaron Henley, and Matthew Fernandez, and the surprise of the meet, the 200 yard freestyle relay of Lovato, Martin, Fernandez, and Fred Palfy. This team was seeded in at a tie for 6th place with a 1.81 second time of 2:42.00, but the team swam in to third place with a very fast 1:35.64 clocking.

The teams next competition is an away meet on Saturday against Loyola University, Northern Illinois, and the University of Chicago at Loyola. Coach Mattuch stated, "This is our chance to beat two Division I schools in a quadrangular meet, something we have never done before."

**HAWK RELAYS RESULTS**
1. U of W - Milwaukee 116
2. IAC 116
3. IIT 89
4. North Central College 64
5. U of W - Oshkosh 62
6. U of Chicago 29
7. University of Illinois 4
8. Carroll College 0

**B-Ball Loses in Tourney**

The IIT basketball team traveled to McIndoe Forest College for a tournament last weekend but were defeated in each of their three games. The losses were attributed to a lack of rebounding and too many turnovers.

In the first game, the Hawks were completely outmatched by a very strong McIndoe squad. "McIndoe is as strong as any Chicago State University team that I have coached against in the past," Coach Topper stated openly.

The next game, played the following day, pitted IIT against Marygrove College, the 1984 National Catholic College Champions and a third place finisher in the 1985 NAIA National Tournament. The Hawks played much better, a lack of good rebounding and too many turnovers, however, led to a 76-64 loss. "To say the least, I was very disappointed in the outcome of the Judson game. They are equal to us"

**Volleyball Ends 33-7**

The IIT volleyball team has completed another successful season, finishing with their best record to date with wins and 7 losses, with first place honors in 3 invitational tournaments.

Highlights of the season include victories over St. Xavier College, Chicago State University, and Chicago Public Concelan University. Many of the matches were very close and exciting, and often featured thrilling comebacks by the Hawks.

Individuals honored to Most Valuable Player Kim Murphy and Most Improved Player Cathy O'Riordén. Jennifer Glik was named to the All-Central Region, and Joan Beres made the All-Conference and All-District teams.

In regard to the success of the team was the strong all around play of senior Kelly Cada and sophomore Janice Kedziora. Lorraine Mack, recovered from an early-season ankle injury to play well at the District playoffs. Michelle Monahan learned the position of defensive specialist very quickly.

---

**Tech News Athlete of the week**

**Basketball**
Keith Evans is a senior management major and a 6'4" forward on the basketball team. In the McIndoe Tournament, Keith scored 67 points and grabbed 29 rebounds. He shot a remarkable 61% from the floor. Keith's high game was against the basketball powerhouse, Marygrove College.
