J. B. Devis Named For 1936 Cycle Editorship

The selection of the Cycle managing editor of the future All Departments Exhibit is being completed, and the result will be announced in the next issue of the Journal. The position will be filled by the person who has held it for the past two years, and the new holder is expected to continue the excellent work that has been done in the past.

Juniior Formal to End Festive Week

Friday night is the last of the Junior Formal. On that night the Junior Formal, the annual social function of the year, will terminate the year's social activities. The formal will be held Friday, May 17, at the Oriental Ballroom of the Kickin' Stove Hotel, Walton Place and Michigan Boulevard.

The event for the oriental was planned by a Eleven junior members of the class of 1936, sponsored by the class of 1935.

I'm Mark This Week!

Under the leadership of Eugene A. Petersen, Junior, the class of 1936 has planned a program of social events. The first of these events was the Junior Formal, which was held on Friday, May 17, at the Oriental Ballroom of the Kickin' Stove Hotel, Walton Place and Michigan Boulevard.

The full schedule of events to be held will be posted each day on the bulletin board in the main building.

Tickets for Annual Banquet Being Sold

Tickets for the annual banquet, to be held June 24 at the Northside Athletic Club, will be sold at the Junior Formal. The banquet will begin at 7:30 p.m., and the official program will begin at 8:00 p.m.

Other Events for the Week

The Junior Formal will be followed by a Junior Dance, to be held Saturday evening, May 18, at the Kickin' Stove Hotel. The dance will begin at 9:30 p.m., and will continue until 2:00 a.m.

ARMSMITH PLANS TO EXPAND TOTAL CIRCULATION

An examination of the ARM S M I TH magazine shows that the total circulation of the magazine is approximately 40,000. The magazine is published four times a year, and each issue is distributed to approximately 10,000 subscribers.

The magazine is published by the ARM S M I TH Company, located at 123 Main Street, Chicago, Illinois.

FRATERNITY NOTES

THE SLIPSTICK

Gravé to "The Slipstick"; let the Slipstick fly where it may.

Wine (teleposing to desk clerk): "There’s a real room available for you.

DEPARTMENTAL EDITORIAL

Delta Tau Delta

The sixty-fifth annual Tri Delta banquet was held last Thursday night at the Athletic Club. Space did not exist, according to a recent report of a committee of accommodations. This is arranged by the man who tries to pack his car somewhere else.

Some were taped. Half attended. Half didn’t and the rest.

"To the married away student, wonder what she said.

The New Armour

All those who are part of tonight’s Open House program, either as students or friends of the Institute, will probably have thought the thought in the last sentence that they may be seeing Armour’s last open house on its old campus. There is no doubt that the changes are of witnessing another such program in these buildings and some of the two, brooks are now the daily guests, they will have plenty of food for wild speculation. It would be a pity, in fact, to the case.

If you are one of the first, you are at the corner. Armour needs a new president. Hohettich is determined that Armour will have a new president. From these facts we are not too sure of concluding that Armour will eventually have a new president. Furthermore, from present indications, Armour is a strong possibility that a part, but only a part, of the Operations of the Institute will be taking place on a new campus in September. It is highly improbable that the heavy laboratories and shops will be moved. The possibilities are the Open House night will take place again on the campus next May.

The new Armour building holds options on some property located at Lake Shore drive and Erie street. A drawing of a building which it termed a new Armour Institute, and it followed this with an assurance that the Institute is considering the area of the structure and pointing out that even in an Engineering College this area of the campus is of prime importance. This area of the campus is of prime interest. It is fascinating interest indeed, but it is based on a misconception.

The first place, it is up to the Board of Trustees to decide what shall be done with Armour, and their annual meeting spring has not yet been held. This has been seen as no definite decision to move to Erie Street and Lake Shore drive. Indeed, although he has conducted an extensive study of the situation and has prepared a report enlarging the possibilities of the Lake Park site, President Hohettich remains entirely open to further suggestions. However, an impartial observer, that location appears to have advantages which no other possesses.

As a new building, it is hardly to be hoped that any such project will be begun in the next few years. The facts are probably not an existing structure. It was, of course, never proposed actually to erect the building which was shown in the Tribune. The possibilities of the area of the structure and pointing out that even in an Engineering College this area of the campus is of prime importance. This area of the campus is of prime interest. It is fascinating interest indeed, but it is based on a misconception.

LATE NEWS!

MAKING THREE -- one of the players in the Wheaton bowl game -- made his third appearance in the game last Sunday. Two gang members arrested on the Mendingham Farm had already made the three, while the other made the third of the seven. Dolly, a quarterback, signed up the score. Dotty pulled the rebels up by the head and drove the other four of the seven on the ground in front of the Adelphi Press building.

ON THE WEEKEND -- On Saturday, the team went to the Basalt Bowl to play in the Bowl Bowl. The Basalt Bowl is a tradition that dates back to the early 1900s. On Sunday, the team played against the homestand at the Bowl Bowl. The crowd was enthusiastic and the game was a close one, with the team winning by a narrow margin.

JUNIOR WEEK -- (Continued from page 3) during the week of the or the semi-final round of the Junior Week tournament, which was played by the junior members. The games were played on the field at Wheaton Bowl, which is located on the outskirts of the city. The tournament was a great success, and the junior members showed great sportsmanship throughout the week.

BALL SQUAD LOSES OVERTIME TO NO. CENTRAL! EXTRAV.

After a 1-6 overtime, Wheaton's junior team was defeated by No. Central's extrav. The game was played on the Wheaton Bowl, which is located on the outskirts of the city. The junior members showed great sportsmanship throughout the game, and the final score was 1-6 in favor of No. Central.
