Nachoan to Head Armour Engineer

Harry S. Nachman has been appointed Engineer for the Armour for the year 1934-1936. He will succeed Mr. Paul Ralph who was last year last year.

Mr. Nachman's appointment was made following a careful appointment made by the Armour for the position. He has held a number of positions in the Armour, including that of Engineer in Charge of the Engineering Department.

Plans Made for S. P. E. E. Branch

On Saturday, February 16, a meeting was held at the Armour for the discussion of the advisability of the formation of a branch of the Society of Professional Engineers in Illinois.

Lau Ching Kuo, a member of the branch, was present at the meeting and delivered a brief address on the subject.

Illustrated Talks to Be Given at Armour

Illustrated talks on the subject of engineering are to be given by various speakers at the Armour. The talks will be held on Saturday evenings, and will be open to the public.

Excellent Picture at Latest Dance

About two hundred people danced to the music of the Armourer's orchestra at the latest dance held at the Armour on Saturday evening.

Chinese Student Club Organized at Armour

The Chinese Student Club has been organized at the Armour. The club will meet weekly to discuss Chinese literature and culture.

Math Club Officers Elected at Meeting

At its last meeting the Math Club elected new officers for the coming year. The new officers are: President, E. H. Johnson; Vice-President, R. A. Nelson; Secretary, R. B. Anderson; and Treasurer, C. W. Claybrook.

Enrollment Figures for the Class of 1934

The enrollment figures for the class of 1934 are as follows: Graduate students, 11; Junior class, 19; Senior class, 23; Sophomore class, 13; Freshmen, 18; Total, 77.0

Lecture on Engan

Professor H. B. Fehl, a member of the faculty of the Armour, will give a lecture on Engan, a subject of great interest to students of engineering.

All students interested in working on the design or supervision of the Armour's engine are requested to attend the lecture at the Armour Library on Thursday, February 21, at 7:30 P.M.

“The Slipstick”

Close to “The Slipstick,” let the Slipstick fly by what it may.

How you smoke me?

A pain in today’s Christmas.

Think once at a slip’s size, value, and you’ll find no value.

And you have no more staff.

Who will fly its size and will be smoked.

They don’t care how big you make.

It’s all your fault that I sticked that slip.

You were not wise when you asked me how much a million dollars was.

—Roy, I remember.

—Well, a fellow like us can’t ask the answer.

—23 this month but I can’t see.

—Why not?

—There’s no occasion.

Professor (to Mujah): “There’s a young man in this school making a joker of himself. When he feels, he’ll start.”

If student pays you nearly 200,

Five things bother me—

Of whom you speak—is often your speed.

And how—read others.

Fraternity Notes

PHI KAPPA SIGMA

At the time of the great plantation of the University of Chicago, the Alpha Epsilon Chapter of Phi Kappa Sigma fraternity became the first Greek organization to form. The chapter was founded in 1928 and has remained an active and influential part of the campus community ever since. The chapter has produced many notable alumni, including Academy Award-winning actor Kevin Spacey.

The Selection, Buying, and Preparation of the Right Kinds of Turkish Tobacco for Making Chelsea-Ferret Cigarettes is a Business in Itself...

The selection, buying, and preparation of the right kinds of Turkish tobacco is an essential part of making Chelsea-Ferret cigarettes. Here are some tips on choosing, buying, and preparing tobacco:

- **Choosing the Right Tobacco:** Look for high-quality, freshly harvested tobacco with a strong aroma and a dark color. Avoid tobacco that is too dry or too moist, as this can affect the flavor of the cigarette.
- **Buying Tobacco:** Visit local tobacco shops or online retailers that specialize in premium tobacco. Be sure to ask for recommendations and samples to test the quality of the tobacco.
- **Preparing Tobacco:** To prepare the tobacco, you can mix it with a little bit of water or use a tobacco mixer to create a smooth, even consistency. This will help the tobacco burn more evenly and prevent tobacco from burning too quickly or too slowly.

We have buyers in all the tobacco markets of Turkey and Greece, including Xanthi, Cavalla, Smyrna, and Xanthi. And at Xanthia, Chelsea-Ferret has built the most modern tobacco plant in the Near East. Here the spicy, aromatic Turkish leaf is sorted and graded under the eye of our own tobacco men.

Then it is put away to age in its own climate for two years or more to make it milder and better-tasting. When you blend and cross-breed the right kinds of aromatic Turkish tobacco with mild ripe home-grown tobacco as we do in Chelsea-Ferret you have...

- the cigarette that’s milder...the cigarette that tastes better...
Armour Double Octet
Sings at Park Ridge

Sixteen men from the Glee club, performing a simple octet, sang a group of numbers in Park Ridge at the Washington Recital of the Singers of the American Association. The recital was given last Friday night at St. Mary’s Episcopal Church in Park Ridge. "Hymn,” the “Winter Song,” "Bury of the Old Brigade” and "Kentucky Blues” were sung by the quartet. The orchestra and Erwin-Young choir accompanied by the singers. The recital was a great help to all the schools which have been out in New York.

Every once in a while an organization comes on an important and noble part of the scheme. Such is the case of the Armour College of Chicago. Mrs. Goodman, the office assistant, has been working on the Armour College of Chicago and is a woman of the highest education. She is working for the administration in Wash-ington.

To make her retirement more pleasant, the ladies presented her with a farewell gift, which is certain to be appreciated. The gift was a beautiful watch by J.B. BENTZ, ELIOT JOHN-SON, and WALTER KRECHER, who finished their courses in February.

Other Campuses

By John E. Linton

A Purdue university junior has recently held a perfect bridge card of 15 hands—and there is only one chance in 2,500,000 of drawing such a hand.

From the Purdue Exponent

Several thousand Purdue students attended the first of a new series of musical concerts to be given at the school. Some musicals, popular and operatic style, included the series and song many melodies of his heartland.

The Washington and Lee university residence of Mrs. the wife of the late noted singer, and seven women of Indiana university to Phi Beta Kappa, honorary scholastic fraternity.

If a student from Ohio State university is named on an All-American team, a note is planted on the campus campus.

Max Wood has been chosen to select the girls who make up the beauty section of Louisiana Tech's yearbook.

Armour E. E. Students Inspect Stock Yards

Last Friday afternoon the senior class visited the Wilson and Company Building. They went to inspect the Armour College of Chicago and were accompanied by Professors C. A. Bush and J. E. Zurek. A senior was selected to serve the group at the restaurant. The part of the hour that most surprised the visitors was the new Manor which is used to be the third largest private power plant in Chicago. After this the Armour building was visited.

Fred Waring and his orchestra are to be heard tonight at the Park Ridge hotel. His orchestra is to be heard tonight at the University of Chicago. His orchestra is to be heard tonight at the University of Chicago.

Fencing Club Has Meet at Y. M. C. A.

Last Saturday, the Armour Fencing team did the Michigan State College team at an official match. This meet was held in the Central Y. M. C. A. floor, 190 South LaSalle Street at 7:30 P.M. The results have not been obtained as this paper goes to the press. Armour was represented by a four man team, E. A. Krueger, assistant captain, E. T. Hnung, J. H. Zurek, and W. R. Emmerich. Armour lost to the Michigan State college team, 1-0.

Two bols with the Empire State Fencing Club will be held as a rally to the challenge of the Y. M. C. A. team. The collection will be held on the main division of the club and the other with the men's division. These two meets will also be official, held. Following these two meets, a social will be held with the University of Chicago to be held. In connection with preparations for the second meeting exhibition which will be presented at 8:00 Friday, March 12, Nicholas Banta has been appointed assistant manager of the club. A nominal charge of 10 cents will be made for admission to the exhibition. Preparations for the exhibition promises a great hour's show, an automatons women's fueron will demonstrate.

Dr. Bradley Creates Varied Impressions

(Continued from page 1)

He is to be heard in the United States and is to be heard in the United States and is to be heard in the United States.

In closing, Dr. Bradley wished to convey his appreciation for the kind hospitality extended to him during his recent trip to the United States.

BATTERY ASPIRANTS TO GYM FOR EARLY BASEBALL PRACTICE

Team Suffers Losses as Veterans of 1934

BARTUSEK OUT

With the baseball season fast around the corner, and big scores being everywhere favoring for spring training camps, Armour baseball aspirants were naturally anxious for a track at regular team告诉记者, but in the absence of any emergency training camp, and for the same reason, the pitchers and catchers have not yet received the deluge of practice that is theirs. The scarlet team of at least 65 people, including the only veterans that remain, are in bad shape. Beulah Reihl and Elmo Stites, of course, are up and ready, while the others are slowly getting ready to enter the games.

Keep This Date Open!

The Rakeys are looking for the outstanding indoor track feature in the public work and have drawn a capacity crowd of 3,000 people for the last two years. Connected with the attendance is the performance, and Rakey records are setting up new marks for the sports in the forthcoming track meet.

Eumen Already Filed

Last year, three male croppers were sent to the meet, to date, in month in advance, Moe Davis, Marquis Nason, Will Bracken, Carleton, and Lawrenson of the number have either entered or entered.

Before the race, there will be the customary speeches of the speakers who will be the starter, and the men will be ready.

Tech Grapplers

Swamp De Kalb

Last Wednesday afternoon the Am

Thematica was sent down to De Kalb when the defeated the Tech in a surprise upset for the season.

The Tech were victorious by a 13 to 0 margin.

Jon Holm opened the meet in a closely contested match with that of De Kalb. After a number of attempts, the Tech attacked, applying a hold and won with a time of 1:56. The second match featured a fast start, but was won by the Tech, 2:15 to a surprise attack by Keesee, captain of De Kalb team.

James::::

NIGHT HEAD

NIGHT HEAD

In their second encounter with

Loya E, the Techacks plan to capitalize upon the weakness of the first meet, for which, according to Coach Slinge, none of the average men had cut or practiced. Having had their sports awakened, they are training more seriously in order to turn the tables and make it better known for Loya's benefit.
