Armour Engineer Out

Tomorrow Night

Copies of the "Engineer" will be distributed tomorrow night in the lobby of the Culver Hotel.

Six Men Pledged to Eta Kappa Nunu

Eta Kappa Nunu, honorary electrical engineering fraternity, pledged five new members during the following week: Monday, October 31.

- D. M. Fetterman, 21.
- M. E. Lakey, 21.
- M. Pagan, 21.
- W. Whelan, 21.

Seniors Discuss Class Problems

Chet Sloop, president, called a meeting of the Senior Class held Tuesday, October 31, at the home of E. H. Bratton. There were present:

- J. B. Kimbrough, 31.
- W. E. McQuigg, 31.

M. Y. Wilson, 31, presented a question on the class in covering a specific matter that had been brought up in the prior meeting. The question was: "How do we improve the quality of the class in the next four years?"

The question was voted on and the class decided to improve the quality of the class by the following steps:

1. Increase the number of members in the class.
2. Encourage more participation in class activities.
3. Increase the number of guests in the class.
4. Encourage more interest in the class.

Car Oil Suppliers of A.S.M.E. Talk

At the next regular meeting of the American Society of Mechanical Engineers, to be held on the evening of Tuesday, November 7, the Car Oil Suppliers of the Northern Illinois District will be in attendance and will discuss their products and services.

Former President of Armour at Miami, Florida

Professor, Joseph B. Griffin, president of the former Mechanical Engineering Department of the Armour Institute of Technology, and formerly professor at the University of Illinois, is now in Miami, Florida.

He was in Chicago to deliver a series of lectures at the University of Chicago, in connection with the 1934 meeting of the International Association for the Advancement of Science. He was there on September 15, and his subject was "The Effect of the Weather on the Quality of Food and Drink in the United States." He will also be in attendance at the meeting of the American Society of Mechanical Engineers, to be held on the evening of Tuesday, November 7, at the Armour Institute of Technology, and will discuss the works of the society and its activities.

President of the American Society of Mechanical Engineers

Professor, E. J. Sisson, president of the American Society of Mechanical Engineers, will be in attendance at the meeting of the society, to be held on the evening of Tuesday, November 7, at the Armour Institute of Technology, and will discuss the works of the society and its activities.

Armour Represented at Miami, Florida

Professor, N. M. Sisson, professor of mechanical engineering at the University of Illinois, and formerly professor at the Armour Institute of Technology, is now in Miami, Florida.

He was in Chicago to deliver a series of lectures at the University of Chicago, in connection with the 1934 meeting of the International Association for the Advancement of Science. He was there on September 15, and his subject was "The Effect of the Weather on the Quality of Food and Drink in the United States." He will also be in attendance at the meeting of the American Society of Mechanical Engineers, to be held on the evening of Tuesday, November 7, at the Armour Institute of Technology, and will discuss the works of the society and its activities.

A.C.S. TO MEET AT CITY CLUB FRIDAY

The regular monthly meeting of the American Chemical Society will be held at the City Club, 15 Plumas St., next Friday evening, November 28, at 7:30 o'clock. The topic of the paper, "The Properties of Metals Under Supernormal Stress," will be discussed by a group of chemists from the Armour Institute of Technology, in order to acquaint the members of the society with the work being done in this field.

Dr. H. W. White, a chemist at the Armour Institute of Technology, will present the paper on the subject. The meeting will be open to the public, and all members of the society are cordially invited to attend.

Endowment Fund

A committee of three members of the faculty and three students has been organized to raise money for the endowment fund of the Armour Institute of Technology. The committee consists of:

- E. J. Sisson, president of the American Society of Mechanical Engineers.
- N. M. Sisson, professor of mechanical engineering at the University of Illinois.
- J. B. Kimbrough, 31, former student at the Armour Institute of Technology.

The committee has been appointed to raise money for the endowment fund of the Armour Institute of Technology, and will meet at the Armour Institute of Technology, on Sunday, November 23, at 2:00 o'clock.
The Slipstick

The slipstick, or “the slipstick,” is a tool used by woodworkers to mark and cut straight lines on wood. It is a simple device consisting of a metal strip with a handle and a pointed tip. The edge of the strip is used to draw a line on the wood, and the tip is used to make a mark at the end of the line. The slipstick is often used in conjunction with a D-shaped mallet to make precise marks in woodwork projects.

The Slipstick: A Legendary Tool

The slipstick has been around for centuries and has been used by woodworkers to mark and cut straight lines on wood. It is a simple device consisting of a metal strip with a handle and a pointed tip. The edge of the strip is used to draw a line on the wood, and the tip is used to make a mark at the end of the line. The slipstick is often used in conjunction with a D-shaped mallet to make precise marks in woodwork projects.

“Love Conquers All” OR “The Fi Dott’s Revenge”  
Dave Chapin’s Gripping College Drama

Please check your guns and guns at the door.

The orchestra files into their places and Cedric Hock, the conductor, leads the overture, “It Ain’t a Cosmic Rain.”

ACT I

Scene I

Sammon: G’weamon boys, why silly bossin’ you up. I’s da’ heroine and I’s haulin’ a theme song of this point.

(Chorus)

Gloria (singer): Quick, break down or I’ll foreclose on the mortgage.

Sammon: What mortgage?

Gardy: The mortgage on your old man’s sharecroppers’ house.

Sammon: Sure. Oh, how could you—my own dear, gray-haired daddy!

Gardy: Hey, hello, hello, hello, now my Billee gal, step aside and give Gardy a little kiss or show you want my Phi Dott pin.

Sammon: (sob): No! No! Never—never! God bless, dear! I’ll kiss you, dear! God bless, dear! I’ll kiss you, dear! I’ll kiss you, dear! My good old daddy! (Maid coming from the boudoir)

Cordia

Horrors! Sammon must wear Gardy’s pin! Is there no justice? Ah! wait—what—what must we do? We bring a new world—sparking episode all about like a college love like Garry, and. Don’t make it.

6-ton reels of cable distributed with the speed of perishable food

A curtail of telephone poles laid down a thousand miles away within 36 hours after getting the order. Rush calls of this sort must come by day or by telegraph, Western Electric, distributors for the Bell System.

Gridiron Queries
By Professor John J. Schumacher

Question No. 31. A call by the referee says full contact in a game where each team has 11 men does not count, what is the score of the game
Answer: This is a serious rule of the game. The score is always counted. 

Question No. 32. A call of a holding penalty by the referee is given against the offensive line. What is the score if the offense does not get a first down in the next 4 downs.
Answer: A holding penalty is a 10-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense. 

Question No. 33. A call of a false start by the referee is given against the offense. What is the score if the offense does not get a first down in the next 4 downs.
Answer: A false start penalty is a 5-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 34. If a penalty is assessed against the offense for a illegal block in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: An illegal block in the back penalty is a 15-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 35. If a penalty is assessed against the offense for a holding penalty, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A holding penalty is a 10-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 36. If a penalty is assessed against the offense for afalse start in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A false start penalty is a 5-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 37. If a penalty is assessed against the offense for an illegal block in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: An illegal block in the back penalty is a 15-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 38. If a penalty is assessed against the offense for a holding penalty, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A holding penalty is a 10-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 39. If a penalty is assessed against the offense for afalse start in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A false start penalty is a 5-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 40. If a penalty is assessed against the offense for anillegal block in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: An illegal block in the back penalty is a 15-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 41. If a penalty is assessed against the offense for aholding penalty, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A holding penalty is a 10-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 42. If a penalty is assessed against the offense forafalse start in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A false start penalty is a 5-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 43. If a penalty is assessed against the offense foranillegal block in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: An illegal block in the back penalty is a 15-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 44. If a penalty is assessed against the offense for aholding penalty, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A holding penalty is a 10-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 45. If a penalty is assessed against the offense forafalse start in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A false start penalty is a 5-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 46. If a penalty is assessed against the offense foranillegal block in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: An illegal block in the back penalty is a 15-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 47. If a penalty is assessed against the offense for aholding penalty, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A holding penalty is a 10-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 48. If a penalty is assessed against the offense forafalse start in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A false start penalty is a 5-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 49. If a penalty is assessed against the offense foranillegal block in the back, what is the score if the offense does not get a first down in the next 4 downs.
Answer: An illegal block in the back penalty is a 15-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.

Question No. 50. If a penalty is assessed against the offense for aholding penalty, what is the score if the offense does not get a first down in the next 4 downs.
Answer: A holding penalty is a 10-yard penalty. If the offense does not get a first down, the penalty is assessed against the offense.
